Parents,

1/31/25

All Summer half-day opportunities will come home on a flyer, but the signups will be done on Sign up Genius and the link will be posted on February 3rd. This way our camps don't get overfilled, and everyone has a fair chance since there is limited availability.

Full time care for Summer and ALL preschool sign ups for Fall will be done on paper and we need those forms returned to school as soon as possible so we can prepare for open enrollment.

Full time students enrolled in Summer *will experience CAMP experiences* within their regular care once a month, along with weekly themes and **do not** need to sign up for any extra camps. All students who are enrolled in Summer full time care that are rising kinders will attend Kindergarten Camp without any extra fee and do not need to sign up online, they are automatically a part of this camp.

Every student needs an updated application (required by state yearly)

New rising siblings' parents will need to attend an enrollment paperwork day in April, please look for those dates in the future.

Your child's registration fee for all returning students and rising siblings of \$100.00 will be drafted on 3/1 with tuition, rising kindergartens **do NOT** need to pay this fee.

I appreciate you taking the time to read and help us make this process easy!

Mrs. Dickerson
